

FINANCIAL ASSISTANCE PROGRAM

The LifeCenter is committed to supporting the health and well-being of AtlantiCare staff. Our financial assistance program ensures that all staff members have access to the LifeCenter’s programs and services. Financial assistance is based upon family size and household annual income.

In order to be considered:

- ▶ Please review the following information
- ▶ Fill out the application form
- ▶ Email lifecenter@atlanticare.org to schedule your registration appointment

Please see below for instructions and frequently asked questions about the program. For questions or further information, please email us at lifecenter@atlanticare.org.

FINANCIAL ASSISTANCE FREQUENTLY ASKED QUESTIONS (FAQs)

Does the LifeCenter offer financial assistance?

Yes. We offer financial assistance for AtlantiCare employees based on specific criteria. Financial assistance is available on a first come, first served basis and we cannot guarantee all applications will receive funding.

How is financial assistance determined?

Household annual income and family size determine program discount based on the scale below:

Family Size**	Household Annual Income	Employee Monthly Membership Rate
1	≤ \$40,776	\$20
2	≤ \$54,936	\$20
3	≤ \$69,096	\$20
4	≤ \$83,256	\$20
5	≤ \$97,416	\$20
6	≤ \$111,576	\$20
7	≤ \$112,756	\$20

All membership financial assistance rates require income verification.

***Family Size is determined by the total number of parents or caretakers and all children under the age of 21 who are tax-dependent, as well as any other tax-dependent residing in the household.*

Does financial assistance apply towards other LifeCenter services such as personal training?

Financial assistance can only be applied toward monthly membership fees at this time.

How does application process work?

After your application has been approved, assistance will be applied to membership moving forward. You will need to reapply for the financial assistance program each calendar year. Failure to provide current financial information will result in membership termination. Please note, The LifeCenter will not apply financial assistance to past registrations or memberships.

How do I apply?

You must complete a financial assistance application form which includes supporting documentation. The form is available in the resources section below. Please submit all documentation together as we cannot process applications with missing documents.

Please email
lifecenter@atlanticare.org
for more information.

THIS APPLICATION MUST BE RENEWED EVERY CALENDAR YEAR.

You must certify that the information is true and complete to the best of your knowledge, and that you do not have additional income not represented. You must agree, if necessary, to send additional information and documentation to support your statements by the program deadline. You understand that financial assistance is based on need. You understand funding is available on a first come, first served basis and the LifeCenter cannot guarantee funds will be available for all applications.

In the event that you must cancel your participation, you will contact the LifeCenter immediately so assistance can be provided to others. You understand that if you falsify any of the information, you will not be eligible for assistance now and/or in the future.

This partnership is a commitment of AtlantiCare and the member to each pay a portion of the monthly membership fee. If at the time of annual review, the member is still in need of the income-based membership payment plan, it is the member's responsibility to provide supporting documentation by the deadline; otherwise, your financial assistance award will expire. All membership fees are non-refundable and non-transferable. Membership fees are subject to change when you reapply annually.
