Physician’s Approval Form

Date: __________

Dear Dr. ___________________

A patient of yours is interested in taking part in fitness activities at our center. We require that all of our members undergo a fitness assessment. The performance components of this assessment include a sub maximal treadmill test (Ebbling Protocol) and a muscular endurance evaluation. Due to the identification from the participant’s health history questionnaire, we require your approval before an exercise program can be initiated.

Please complete this form and remit by fax to (609) 407-2255 at your earliest convenience.

I agree on behalf of myself and my heirs, executors, administrators and assigns, fully and forever to waive, indemnify, hold harmless, release and discharge the AtlantiCare LifeCenter and its affiliated companies, and all their respective officers, directors, employees, agents, successors, and assigns and each of them, from any and all claims, damages, demands, rights of action or causes of action, present or future, known or unknown, anticipated or unanticipated, including all associated costs, relating to or arising out of my use of the LifeCenter.
