Make Those New Years Resolutions Reality with the AtlantiCare Team

Weight Loss Challenge!

Starts February 27th

What is the HealthyWage Team Challenge?
The HealthyWage Team Challenge is a 12-week national weight loss challenge, where teams of five compete to lose the highest percentage of weight.

Over $30,000 in cash prizes, including:

- 1st place team: $10,000
- 2nd place team: $5,000
- 3rd place team: $3,000

Additional prizes for bi-weekly Mini-Challenges!

How much does it cost?
The registration fee is $70 per person and can be broken into three installments of $23.33 per month for three months. Registration fees are fully refunded for a 10% weight loss after 9 months.

Who can participate?
All AtlantiCare employees, plus friends and family members can also join in!

Do I need a team of five?
Yes, it's a team-based weight loss challenge. You can have your family, friends or co-workers on your team. If you don't have a team of five, don't worry—we will match you up with new friends when the contest starts (we make sure everyone is on a team).

How do people sign up?
Register by February 27th on our customized site:

www.healthywage.com/clients/atlanticare

Where can I weigh in? The AtlantiCare Life Center is a designated weigh in facility. 2500 English Creek Avenue, Egg Harbor Township, NJ 08234
How do you calculate a team's percentage weight loss?

We take the average of each team member's weight loss percentage. To calculate your individual weight loss percentage, take the number of pounds you have lost divided by your starting weight.

Will others see my weight information?

No. No one else will see your actual weight (including your employer). Only your percentage weight loss will be visible to other users.

Where can I find more information?
Visit the team challenge FAQs. If you still have questions about the program, contact HealthyWage directly at 888.636.3832 or email info@healthywage.com.
